WHERE DOCTORS DON'T SEND BILL. The doctors of Sweden never send bill. to their patients. If you have occasion to call a physician you will find him not only skillful in his profession, but a highly educated and honorable gentle You will also have proof of the Swedes and their friendly confidence in each other.

What you shall pay your physician is left entirely to your own choice. The rich may pay him liberally, whether they have need of his services or not, if he has once been retained by them The poor may pay him a small sum, and the very poor pay him nothing. Yet he visits the poor as faithfully as le does the rich.

A similar custom prevailed up to the middle of the present century in some of the most remote portions of the highlands of Scotland. There the doctor collected his entire year's bills on a certain market day in summer, getting perhaps five or ten pounds from the large meres, but only as many shilling- - in the poorer crofters .- [Louwers.

SATTY CASKET FOR A DOG .- Miss Wood is rich and has her home in Morristown, N. J., but she spent most of her time at Fishkill, because her terrier's physician said the climate of Fishkill was better adapted to the animal's constitution.

The terrier fe l ill and a Newburg veterinary surgeon, who visited him twice a day, found that he had appendicitis and gout, and the combination killed bim. Miss Wood ordered a satinlined casket and the coffin had a silver nameplate. The body of the deceased was driven down to the express office in a funeral carriage drawn by a black horse, and was shipped to Morristown for interment. Miss Wood is now designing a headstone for the grave. The expenses of his illness, death and fune-ral will amount to \$100
